## **CE CLASSES AT VIEWMONT**

Concurrent Enrollment (CE) courses allow students to gain college and high school credit. It is the student's responsibility to admit to the uniersity offering the college class and pay all applicable fees. Students must have 90 percent attendance and receive a C grade or higher to receive college credit. Grades post to the student's college transcript and students must transfer credits to the college of their choice after high school graduation. Some CE classes require a textbook rental or purchase. See the CTE Coordinator in the counseling office for more information. \*\*Please note: some classes require a certain ACT score to qualify for the class. When you register for the ACT make sure you request your scores be sent to Weber State University.

Withdrawing from a Weber State CE class at Viewmont High School will result in a "W" appearing on your WSU transcript, and it could affect future college financial aid. Students may not re-enroll in the same CE course in high school. To replace the W on the transcript, students will need to re-enroll at the same institution the W was received from. Please see the CTE Coordinator in the Counseling Office with any questions.
